

Call For Judges - 2007 Future City Competition

Participate in the 2006-2007 National Engineers Week Future City Competition™

- You're invited to take part in the 15th annual National Engineers Week Future City Competition as 7th- and 8th-grade students engineer the cities of the future.
- **Be a judge!** Judges are needed in a variety of roles. Whether it is judging an essay, computerized design, model judge, or presentations judge. Judges play a key role in the Future City Competition.
- Computerized design (SimCity 3000) judges are needed in December 2006.
- **Essay, model and presentation judges** are needed on the day of the competition, **SATURDAY, JANUARY 27, 2007.**
- Competition will take place at Sierra Vista High School (located near Durango Drive and Warm Springs Road).

The Future City Competition is a national program sponsored by the engineering community to promote technological literacy and engineering to middle school students. The program fosters an interest in math, science, and engineering through hands-on, real world applications. The competition is open to all public, private and parochial schools. The national finals of the Future City Competition are a featured event during National Engineers Week, with students from across the country competing in Washington, D.C.

JUDGE VOLUNTEER INFORMATION

Check one:
